Holistic Healing Price List (2025 – Current)

Holistic Reflexology

Sessions are an hour long. An initial Assessment is taken at the first session. Reflexology works best over a course of treatment, and I recommend initially 6 sessions, as this is enough to raise energy levels and give a physical re-boot.

Sessions: £45

Crystal Healing

Crystals may be used as part of reflexology treatment, when appropriate. To receive a crystal healing programme, a client would need to have been attending for reflexology first. An appropriate crystal healing programme would then be selected to enhance healing, help with clearing, illness, conditions etc.

A typical crystal programme lasts 6 weeks and includes crystal configurations and reflexology.

Sessions £45

AromaTouch Massage

Single sessions: £55

Children's Reflexology and Holistic Therapy Sessions
